

Langley Fastball Safety and Sanitation Appendix

Langley Fastball Association will be adhering to all of the Softball BC recommendations but will also be adding the following:

- All Dug-Outs will be closed.
- All bleachers will be closed.
- Batting Cages will stay closed.
- Two hand sanitizer bottles will be left in the equipment bin at every diamond. These will be brought out and hung on the fence during every activity and will be refilled as required.
- Each team will be given hand sanitizer for their team and will be refilled as required.
- Every team will be required to have a small garbage bag available and visible for the disposal of gloves, masks, tissues, and wipes. This will be thrown in a TOL garbage bin on the way out of the park.
- Diamonds will not be used more than once a day by LFA groups.
 - Exception: Saturdays and Sundays, where sufficient time between groups will be given in order to clear the diamond and sanitize.
 - Exception: LTP & U8 Skills Sessions, where sufficient time between groups will be given in order to clear the diamond and sanitize. Skills sessions will have a max of 25 people in attendance.
- All First-Aid kits will contain 6 gloves as well as 3 disposable masks and will be replenished as required.
- All equipment bins will contain a sprayable sanitizer for the sanitization of equipment after use and will be replenished as required.
