

Langley Fastball Safety and Sanitation Appendix

Langley Fastball Association will be adhering to all of the Softball BC recommendations but will also be adding the following:

- All Dug-Outs will be closed.
- All bleachers will be closed.
- Batting Cages will stay closed.

- Each team will be given a “Sanitation Bucket” that will include the following:
 - 1 team Hand Sanitizer Spray Bottle
 - 1 spectator Hand Sanitizer Spray Bottle
 - 1 Refill container of Hand Sanitizer
 - Masks for First-Aid.
 - Gloves for First-Aid.
 - Rag for helping clean balls.

- Every team will be required to have a small garbage bag available and visible for the disposal of gloves, masks, tissues, and wipes. This will be thrown in a TOL garbage bin on the way out of the park.

- Diamonds will not be used more than once a day by LFA groups.
 - Exception: Saturdays and Sundays, where sufficient time between groups will be given in order to clear the diamond and sanitize.
 - Exception: LTP & U8 Skills Sessions, where sufficient time between groups will be given in order to clear the diamond and sanitize. Skills sessions will have a max of 25 people in attendance.

- All equipment bins will contain a sprayable sanitizer for the sanitization of equipment after use and will be replenished as required.
